

# Home Reading Log (HRL) - Homework Schedule

The expectation is that you are reading an average of 30+ minutes each day, filling out a weekly Reading Log, and completing one Reading Response Letter (RRL) each week.

The Home Reading Log is used to follow your progress as a reader, writer, and thinker each week and counts toward the Reading and Writing grades on the report card.

Your HRL is due on the day of the week listed below. Each day late the HRL is turned in, one letter grade is deducted from the total. Please use the guidelines, rubrics, and examples to help you do your best thinking and writing each week.
