

Word Root Presentations

STEM	MEANING	EXAMPLES
inter	between	interview international interception interactive interdepartmental interface intergalactic interchangeable interstate

Task:

You are required to make a slideshow of 6+ slides for each word root you are responsible for. Each slideshow must contain *between 4 and 5 example words*.

Slide One: Word Root, Meaning, Pictures

Slide Two: Word Root example

Slide Three: Word Root example

Slide Four: Word Root example

Slide Five: Word Root example

Slide OPTIONAL: Word Root example

Slide Six: Give credit to yourself and the people you got the pictures from

Each Word Root example slide (slides 2-5) must include:

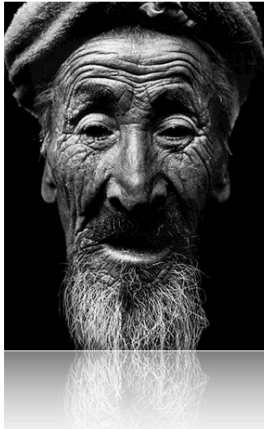

1. example word
2. simple definition
3. example sentence
4. picture that helps us understand the word

See the example:

century

one hundred years

"Someone who lives to be 100 is a century old!"

Each slideshow must have a title slide that includes:

1. Word Root (Stem)
2. Simple definition of the word root
3. At least one picture (can be repeated n the slideshow).

See example below:
